

# BE CAREFUL WHAT YOU SAY.

Your classmates might be armed.

**July 1st, 2017,  
GUNS arrive  
on campus**

- In Kansas, you no longer need special training or a permit to carry a firearm. No background checks either.
- Guns on campus increase risk of death by suicide, and by accident.
- 70 percent of state university employees in Kansas oppose campus carry.
- The U.S. military doesn't allow guns in its barracks or classrooms (except for weapons training).

**WHY ARE WE ALLOWING GUNS IN  
OUR DORMS AND CLASSROOMS?**

Contact your state representatives. Stop campus carry.
